Everything was clearly laid out, readings corresponded to assignments and lectures were on the readings. Additional resources were provided by the professor on his website which were very helpful in understanding as well.
Professor Sultan had his own organized website where he clearly laid out the assignments and notes for each subject

What aspects of the instructor's teaching style did you find very positive and why?

Comments
Professor Sultan was very energetic and explained most topics very well.
Clear about his expectations and does the best he can to explain everything that can be explained about a concept. Otherwise, the class website, notes and textbook are very helpful. Very organized and meticulous.
It was very interactive

What specific advice would you give to help your instructor improve your learning experience in this course, and why?

Comments
Excessive yelling
Specified office hours other than just appointments
